Looking to Volunteer in 2020?

Is getting more involved in your community a New Year's resolution for you this year? If so, we'd love to talk to you! The JCCA is looking to establish committees to cover various topics that are important in our community, such as transportation, traffic, and storm water management. Email your interest to rep2@jccahome.org.

President's Message

Happy New Year!

2020 is off to a great start beginning with our 2020 Annual Meeting on Tuesday, January 14th at the Atlanta Athletic Club. We have a great program planned where we're excited to share our new and improved training and education offerings and elect our 2020 Board of Directors. Our Guest Speaker is our new Community Development Director, Mr. Ben Song. We're thrilled to have him and hear his thoughts and plans for the upcoming year. Each member HOA may send 2 representatives to the meeting and we're looking forward to seeing you! We still have space, so it's not too late to RSVP if you're available. RSVP to rep2@jccahome.org.

Remember that the JCCA represents YOU - our members! Let us know what's on your mind, any concerns or questions that we can help with! Email me at president@jccahome.org.

Looking forward to seeing you all on Tuesday!

Police News/PACT Program

Each year brave men and women of the Johns Creek Police Department attend our Annual Meeting. This year however they are unable to attend as they are rolling out their new PACT (Police and Community Together) Program. This is a great program for each HOA to be involved with. The JCPD is compiling a database of HOA board members for quick community communication and easy distribution of information to subdivisions. We'll have a sign up sheet at the annual meeting for any neighborhoods that are interested in signing up.

The JCPD is also happy to announce two new direct phone lines.

D.I.Y. Alarm Line. So what does this mean? If you are out of the city and your home video camera shows someone suspicious at your door, or your unmonitored alarm goes off, you have a direct line to report the incident. In the past, you would have to call 911 and ask whatever jurisdiction you were in to transfer you to Johns Creek — losing valuable time. You can now call and tell the dispatcher immediately what is happening. Call 404-843-6680.

Non-emergency Phone Line. Use if you are out of the city and need to contact the police department. Call 404-843-6680. If you need police assistance while in JC, please call 911 as normal.

Autrey Mill Seeks Docents

Autrey Mill Nature Preserve and Heritage Center is looking for docent volunteers for the 2019-2020 season.

Docent volunteers will learn about local Johns Creek history with a special focus on agrarian life from the mid-1800s represented by the historic village and artifacts in AMNP's collection.

Docents will engage with museum visitors, fielding their questions and sharing knowledge to enrich the guest experience. Training is carried out through a series of lectures, suggested readings, and walking tours.

Please join us on January 25, 1:00 PM for an informational seminar. The Heritage Curator will introduce prospective docents to our preservation efforts, collection highlights, and tour the heritage village. Current docents will be on hand to share their experiences. We welcome all adults with enthusiasm for Autrey Mill and who love learning about history to apply to become a docent.

For more information, please contact Lauren Ackermann, Program Coordinator, at lauren.ackermann@autreymill.org or [click here](#).
