March COVID 19 Special Edition Newsletter

As promised last week, the JCCA continues to be in close communication with our State and local leaders and are doing our best to keep you all updated and informed as new information and resources become available. Below is a message with some helpful information from our local District 50 State House Representative, Angelika Kausche.

Dear JCCA members:

The coronavirus pandemic is affecting all of us in one way or another and you, as HOA board members, can be an important vehicle in reinforcing the message of social distancing in your communities to help flatten the curve and limit the spread of the virus.

As the State Representative for House District 50, which covers most of Johns Creek, I want you to know that you can use me as a resource if you or your residents would need help in accessing Georgia state resources. The best way to contact me is at

*Rep. Angelika Kausche
GA House District 50

Here are some resources that may be helpful to share with your communities:

SBA Loans: Small businesses can apply for Small Business Disaster relief funds [here](#). Most small businesses are eligible and it is recommended that you apply immediately. Read a quick overview of SBA loans [here](#).

SNAP benefits for all current recipients have been extended through June 2020. Apply for SNAP benefits [here](#).

The Georgia Department of Labor is providing online access to unemployment services, partial claim access for employers and other reemployment services. File unemployment and other claims [here](#).

The Center for Disease Control and Prevention (CDC) has [created a community index](#) with resources on how to prepare and take action for COVID-19 pinpointed to however you identify in our community.

What can you do in your home communities now? Attached is a resource for HOAs to continue their discussions on how to best manage their resources/amenities and communicate with their residents during this time.

Do you Prepare for Neighborhood Pool Opening? It seems almost unthinkable to be worried about neighborhood pool openings but at some point social distancing will be a thing of the past, so what do we need to know or do now to protect these assets. Craig Sears of Sears Pool provides insight and guidance in this article.

What else can we do? It's easy to feel powerless and unsettled during a time like this. Consider donating food or money to a reputable charity. Local food

banks will be seeing an increase in requests for assistance as employers are facing cutting hours or closing entirely. Our neighbors will need our assistance.

Buy Local and #KeepItInTheCreek The JCCA is a proud member of the Johns Creek Chamber of Commerce and we certainly want to do all we can to support our local businesses. The Chamber has developed a directory of businesses that are still open and offering a variety of services from delivery to curbside pickup. Check it out and consider supporting the many fantastic businesses in Johns Creek that need our support.

Lastly, we appreciate the opportunity to serve our members and provide information that we hope you will share with your friends and fellow neighbors. We will continue to update and inform as new information is available.

We do our best to keep our records updated, so please email communications@jccahome.org if addresses or contact information has changed.

Thanks, keep social distancing and remember that we are all in this together!
